# FACIAL TREATMENTS

## DERMAQUEST

Industry leading advice and expert treatment on a wide range of skin concerns. This means giving you healthy, beautiful skin and ensuring that your complexion is the best it can possibly be. To maximise our professional treatments and enhance their results, our pre and post-treatment home care products provide the finest care available. Preparing and conditioning the skin before treatment is a vital part of our process. After a full skin analysis your skin expert will provide you with a treatment plan consisting of one or more of the facial treatment types listed.

### | CLASSIC £45

Classic facials are a brilliant introduction to our products, these revitalising treatments promote healthy, balanced skin. Restores skins natural vitality by repairing compromised skin concerns and desires.

### | SWEET COLLECTION £55

All new collection of expert resurfacers with prep or no down time just great results.

### | RESURFACER £80

Resurfacers are superficial exfoliating treatments, meaning that they work on the stratum corneum layer, the very top layer of the skin. Resurfacers generally have no recovery time and address several concerns and desires through the use of enzymes and acids, which work to refine and exfoliate.

### | CHEMICAL PEELS £120

Chemical peels will also exfoliate and address a wide variety of concerns, yet they have the ability to penetrate beyond the stratum corneum and into the mid to lower sections of the epidermis where resurfacing treatments cannot reach. Chemical peels work so deeply into the skin, meaning the ingredients keep working within your skin long after your treatment, this delivers stronger and extended results.

### | ESSENTIAL

Delivers the nourishment, protection and balance that your skin deserves. This treatment will revitalize any skin type.

### | PEPTIDE VITALITY

A miracle for ageing skin. Plump and smooth, peptides are capable of filling fine lines and wrinkles from within the skin.
